Hi Ex. 6 Personal Privacy (PP)

For awareness - I cut/pasted HoF cases from series of emails from staff – I'll report out but if I miss anything important, feel free to chime in!

"Hair on Fire Cases" notes from PMs:

- P-20-0025: Ex. 6 Personal Privacy (PP) - Waiting for RAB to complete management review of an updated risk assessment looking at reasonably foreseen conditions of use. RAB last said the review should have been completed on 11/6 and there have been no updates. The original day 90 is 2/16/20. Expect to be completed today/tomorrow (*might* have time to go to SNUR batch).

Please add those cases as well, but notate that it was sent to BC, date and from whom. Likely, it will elevate above the BC if we are not able to move the case (which is the majority of the situations).

There's also the SNUN (SN-20-0006) that we just received the Congressional on.

Do you also want cases that have been raised to the branch chief level? Or only cases that have been elevated higher?

Below is list of emails I've received from companies regarding cases. If you know of other cases, please add it to list. We anticipate we will be receiving many more of these elevation issues before the year ends. [redacted] would like to get an update on where stand on each these hair on fire cases at the OPPT biweekly tomorrow at 3:30.
